**Coloring and story for Daniel and the King's SECOND dream**

**(see below)**

**What's happening in the two pictures?**

King Nebuchadnezzar forgot the lessons he had learned about God being all powerful from Daniel, and went back to thinking HE was all powerful.

So God gave him another dream. The dream was of a tree that was cut down. He had Daniel tell him what the dream meant. Daniel had the courage to tell the king that the king would eat grass like the animals and live in the fields like a wild animal.

The dream God gave the King meant that for 7 years the King would lose his mind and act crazy like a wild animal.

After that time, the King prayed to God and asked God to be with him and declared that GOD is ALL powerful! God gave him back his mind, his kingdom, and the King told all the people in his kingdom that God is the ONLY GOD!
