Memory verse: *"Even children are known by the way they act, whether their conduct is pure, and whether it is right." Proverbs 20:11 NLT*

Continuing Theme: *God wants you to stand strong and remain faithful to Him.* The key concepts that we focused on again this week are:

- **God will protect you.** *(like He did again and again for Daniel)*
- **Stand strong in your faith.** *(like Daniel did even when he knew the King could harm him.)*
- **Listen to God, and do what He says. Even when other people don't want to do it, YOU can.**

Lesson- READ in the Bible: Daniel Chapter 5

Dear Parents,

Here is a video that might help YOU understand Daniel 5 before you help your children understand what happened when God wrote on the wall of the King's party;

The children can see the story in the 3 videos below. The King thought HE was in control, but this story shows that only God can know what will happen to us. That's why we need to trust God and not those around us who are only human like we are.

Blessings,
Ms. Pam

HEAVENLY REMINDER AGAIN:

If you have a relationship with God, *He will never leave you, no matter what you are going through. He will ALWAYS be there to help you through EVERYTHING.*

Jeremiah 29:11 says, *"I know the plans I have for you," declares the Lord, "plans to prosper you and not harm you, plans to give you hope and a future."*

Remember what we say every week?

**Our God is incredible and He LOVES, LOVES,
LOVES YOU and ME!**

PRAYER: (*Close with prayer and reminder of God's work in our lives.*)

Dear God,

Thank You for loving us. You take away our fears when we give them to You. Thank you for making us all brothers and sisters through Your love. Help us to share Your love so others will want to come into the Kingdom of God, too. In Jesus' name, Amen.

Coloring page, maze, and experiments for the story
of Daniel and the writing on the wall

God wrote on the wall of the King’s party. Only His hand was visible and the words appeared.

Today, you are going to learn to make invisible ink. You can watch these 2 videos and write messages to your child. Another child can write to another child, or to you. Have fun!

Invisible ink video experiments and demonstrations:

#2 - https://youtu.be/-I2u_OMxm_8

Another way to do a message is to use food coloring in water and a white crayon. Write the message in white crayon and have another child use a q-tip to add the food coloring. (like you would do to write on an Easter egg before dipping it)
